CIRCULAR LETTER NO. 1492

To All Members and Subscribers of the Bureau:

Re: Department of Industrial Accidents Assessment

The Department of Industrial Accidents has revised the assessment rate for Private Employers to be applied to policies effective July 1, 1988 and thereafter as follows:

Private Employers	.013
-------------------	------

This new rate replaces the rate of .011 for Private Employers contained in our Circular Letter No. 1487 dated July 25, 1988.

The rate of .029 for Public Employers remains unchanged.

These assessment rates are the result of a further analysis of the financial needs of the Chapter 572, Section 65 funds for fiscal 1988-1989, and should be applied against the premiums of public and private policyholders, respectively.
