Re: Department of Industrial Accidents Assessment

The Division of Industrial Accidents has released the following official assessment rates to be applied to policies effective July 1, 1989 and thereafter.

Public Employers	.050

These assessment rates are the result of an analysis of the financial needs of the Chapter 572, Section 65 funds for fiscal 1989 - 1990, and should be applied against the premiums of public and private policyholders, respectively.
