CIRCULAR LETTER NO. 1848

**THIS CIRCULAR LETTER REPLACES
CIRCULAR LETTER NO. 1847 DATED JULY 5, 2000**

To All Members and Subscribers of the Bureau:

**REVISIONS TO THE
DEPARTMENT OF INDUSTRIAL ACCIDENTS ASSESSMENT**

This circular reflects corrected Department of Industrial Accidents Assessments rates for both public and private employers as well as private self-insured employers who have been approved for non-participation under the "Opt-Out" provision.

The following are the official Department of Industrial Accidents assessment rates to be applied to policies effective July 1, 2000 and thereafter.

Public Employers	.242
Private Employers	.045

These assessment rates are the result of an analysis of the financial needs of the Chapter 152, Section 65 funds for fiscal year 2001, and should be applied to the standard premiums of public and private policyholders, respectively.

Carriers are reminded that these assessment rates are to be applied prior to the effects of any company deviations, scheduled credits, ARAP Surcharge, or deductible credits.

Carriers are further reminded that under the provisions of M.G.L. c. 152 section 65, it is permissible for a **public** employer, which has a policy with a workers' compensation insurer, to choose not to fully participate in the Workers' Compensation Trust Fund.

The notice of non-participation must be filed with the Commissioner of the Department of Industrial Accidents by March 1st of any year in order to be effective as of July 1st of that year, and once properly filed and approved by the Department of Industrial Accidents, is irrevocable.

Prior to issuing any policy under the "Opt-Out" provision, carriers should confirm that the employer has been approved for non-participation. The DIA has provided us with a copy of its list of public entity and private self-insured opt-outs for fiscal year 2000. A copy of which is attached. Any questions should be directed to:

Ms. Joan Endres
Department of Industrial Accidents
600 Washington Street
Boston, MA 02111
(617) 727-4900 Ext. 232

The assessment rate for private self-insured employers who have "Opted-Out" is .012. The assessment rate for public employers who have "Opted-Out" is .000 (zero). The assessment rates indicated at the beginning of this Circular will apply to the overwhelming majority of employers.
