**CIRCULAR LETTER NO. 1957**

**To All Members and Subscribers of the Bureau:**

**DEPARTMENT OF INDUSTRIAL ACCIDENTS ASSESSMENT**

The Department of Industrial Accidents (DIA) has released the following official assessment rates to be applied to policies effective July 1, 2004 and thereafter.

Public Employers .354

Private Employers .049

These assessment rates are the result of the DIA's analysis of the financial needs of the Chapter 152, Section 65 funds for fiscal year 2005, and should be applied to the standard premiums of public and private policyholders, respectively.

Carriers are reminded that these assessment rates are to be applied prior to the effects of any company deviations, scheduled credits, ARAP Surcharge, or deductible credits.

Carriers are further reminded that under the provisions of M.G.L. c. 152 section 65, it is permissible for a **public** employer, which has a policy with a workers' compensation insurer, to choose not to fully participate in the Workers' Compensation Trust Fund.

The notice of non-participation must be filed with the Commissioner of the Department of Industrial Accidents by March 1<sup>st</sup> of any year in order to be effective as of July 1<sup>st</sup> of that year, and once properly filed and approved by the Department of Industrial Accidents, is irrevocable.
