The Bureau submitted a rate filing last Friday to the Division of Insurance on behalf of its members requesting a 2.3% increase in average rates for industrial classes and an 18.1% increase for F-Classes.

Additionally, the Bureau filed to increase the expense constants. The proposed expense constants are as follows:

The proposed effective date of this filing is September 1, 2008. The Commissioner of Insurance will issue a hearing notice soon and we will then issue another Circular Letter attaching a copy of that notice. We will also post additional information as it becomes available on our website at [www.wcribma.org](http://www.wcribma.org).
