### List of Corporations Approved for Exemption of Officers

A 2002 change to the workers' compensation law allows officers of corporations who own at least twenty-five percent of the stock of the corporation to exempt themselves from coverage. If a corporation has no non-exempt employees, the corporation does not need workers' compensation insurance.

Linked below is a list of officers and directors of corporations who have been approved by the DIA, pursuant to [452 CMR 8.06](#)

You can use the Search or Find feature of the program to view this list to locate names, dates, and numbers on the attached PDF file. This list is subject to frequent updating.

The DIA is providing this information as a courtesy to employers and insurers. If you have any questions, you can call the DIA Investigation Unit, 617-727-4900, ext. 406.

**NOTE:** The provisions of 452 CMR 8.06 (6) remain in full force and effect:

A COPY OF THE APPROVED [FORM 153](#) MUST BE SUBMITTED TO THE INSURANCE CARRIER, ON AN ANNUAL BASIS.

*Inclusion of an Officer or Director on this approved list does not relieve any person from full compliance with this regulation.*
