TERRORISM RISK INSURANCE EXTENSION ACT OF 2005

FILING MEMORANDUM

PURPOSE

The purpose of this filing is to address the catastrophe provisions in the Terrorism Risk Insurance Extension Act of 2005.

BACKGROUND

The Terrorism Risk Insurance Act of 2002 ("TRIA 2002") was implemented as a result of the U.S. Congress recognizing that terrorism is a catastrophe exposure that is real and significant for insurers of workers' compensation and other lines of insurance. Filings were subsequently submitted to the Division of Insurance ("DOI") by the Bureau to implement TRIA 2002 and to provide miscellaneous rating values and policy forms for certified acts of terrorism or war.

TRIA 2002 was scheduled to expire on December 31, 2005. Terrorism catastrophe exposure continues to be significant for insurers of workers' compensation and other lines of insurance. As a result, Congress passed the Terrorism Risk Insurance Extension Act of 2005 ("Extension Act").

The key provisions of the Extension Act are:

TRIA 2002 is extended through 2007 with certain amendments

The size of an event needed to trigger the Extension Act is raised from $5 million in the current program to $50 million in 2006 and $100 million in 2007 for certified acts of terrorism occurring after March 31, 2006

Program Year 4 means the period beginning on January 1, 2006 and ending on December 31, 2006

Program Year 5 means the period beginning on January 1, 2007 and ending December 31, 2007
Insurer deductibles are added for Program Year 4 and Program Year 5

The amount of reimbursement paid to carriers by the U.S. Government for insured terrorism or war losses exceeding deductibles is added for Program Year 4 and Program Year 5

Aggregate retention amounts are added for Program Year 4 and Program Year 5

Authority is given to the Secretary of the Treasury to establish procedures and requirements for litigation management for causes of action arising out of the Extension Act

The President’s Working Group on Financial Markets, in consultation with the National Association of Insurance Commissioners, representatives of the insurance industry, representatives of the securities industry and representatives of policyholders, shall perform an analysis regarding the long-term availability and affordability of insurance for terrorism risk. The President’s Working Group on Financial Markets shall submit a report to the Committee on Financial Services of the House of Representatives on its findings not later than September 30, 2006

On December 28, 2005, the National Council on Compensation Insurance, Inc. (“NCCI”) filed Item P-1404: Terrorism Risk Insurance Extension Act of 2005 on behalf of workers’ compensation insurers in 31 states and the District of Columbia. With NCCI’s permission, the Bureau has modified NCCI’s Filing Memorandum and proposes to adopt NCCI’s Terrorism Risk Insurance Extension Act Endorsement (WC 00 01 13). As such, this filing includes copyrighted material of the NCCI, to which NCCI reserves all rights.

The Policyholder Disclosure Notice page of Endorsement WC 00 01 13 provides clear and conspicuous notice that the premium charged for insured terrorism or war losses will be shown in item 4 of the policy Information Page and that the Federal share of compensation under the Extension Act is 90% for Program Year 4 and 85% for Program Year 5. Use of this Endorsement will enable Massachusetts workers’ compensation insurers to comply with the disclosure requirements of Bulletin 2006-1: Voluntary Expedited Procedures for Compliance with the Provisions of the Terrorism Risk Insurance Extension Act of 2005 that was issued by the Massachusetts Commissioner of Insurance on January 5, 2006.

PROPOSAL

The Bureau proposes that effective January 1, 2006, the Terrorism Risk Insurance Extension Act Endorsement (WC 00 01 13) be approved for use by Massachusetts workers’ compensation insurers for new, renewal, and outstanding voluntary and assigned risk polices. (Exhibit 1)

The Bureau also proposes to withdraw the Endorsements contained in the TRIA 2002 related filings made by the Bureau on February 19, 2003 and September 7, 2004 (Exhibits 2 & 3) and to replace those Endorsements with Endorsement (WC 00 01 13).
IMPACT

There is no expected premium impact as a result of this filing. The Bureau is not requesting a change in the premium charge that was established in the Bureau's February 19, 2003 Filing and that became effective on February 20, 2003 under the "file and use" provisions of TRIA 2002. The premium charge will continue to be 0.03 as shown on the Miscellaneous Values page of the Massachusetts Workers' Compensation and Employers Liability Insurance Manual (Exhibit 4).

IMPLEMENTATION

The attached exhibits include the proposed changes necessary to implement this filing.

Exhibit 1 – NCCI's Terrorism Risk Insurance Extension Act Endorsement (WC 00 01 13), effective January 1, 2006.

Exhibit 2 – Withdrawn Terrorism Risk Insurance Act Endorsement (WC 00 04 20).

Exhibit 3 – Withdrawn Notification Endorsement of Pending Law Change to Terrorism Risk Insurance Act of 2002 (WC 00 01 12).

Respectfully submitted,

NOTIFICATION ENDORSEMENT OF PENDING LAW CHANGE TO TERRORISM RISK INSURANCE ACT OF 2002

This endorsement is being sent to you with respect to your workers compensation and employers liability insurance policy. This endorsement does not replace the separate Terrorism Risk Insurance Act Endorsement (WC 00 04 20) that is attached to your current policy and which remains in effect as applicable.

The Terrorism Risk Insurance Act of 2002 (TRIA) took effect on November 26, 2002 and provides for a three-year program under which the Federal Government will share in the payment of insured losses caused by certain acts of terrorism. In the absence of affirmative U.S. Congressional action to extend, update, or otherwise reauthorize in whole or in part, TRIA is scheduled to expire December 31, 2005.

Since the timetable for any further Congressional action respecting TRIA is unknown at this time, and the exposure to acts of terrorism remains, we are providing our policyholders with relevant information concerning their workers compensation policies in effect on or after January 1, 2005 in the event of TRIA’s expiration.

Your policy provides coverage for workers compensation losses caused by acts of terrorism or war, including workers compensation benefit obligations dictated by state law. Coverage for such losses is still subject to all terms, definitions, exclusions, and conditions in your policy.

The premium charge for the coverage your policy provides for terrorism or war losses is shown in Item 4 of the Information Page or the Schedule in the Terrorism Risk Insurance Act Endorsement (WC 00 04 20) that is attached to your policy, and this amount may continue or change for new, renewal, and in force policies in effect on or after December 31, 2005 in the event of TRIA’s expiration, subject to regulatory review in accordance with applicable state law.

You need not do anything further at this time.

Note:

1. In Minnesota, pursuant to Minn. Stat § 60A.351, a policy may not be renewed at less favorable terms unless notice of the new terms is given at least 60 days prior to the expiration date.
