NOTICE OF HEARING

In accordance with the authority granted to the Commissioner of Insurance under Massachusetts General Laws c. 152, §53A, a hearing will be held at 10:00 a.m. on April 5, 2007, at the Division of Insurance, One South Station, Boston, MA, to consider the request of the Workers' Compensation Rating and Inspection Bureau of Massachusetts ("WCRB"), an unincorporated association licensed as a rating organization pursuant to G. L. c. 152 §52C, for a general revision of workers' compensation insurance risks and premiums. The WCRB is requesting a statewide average rate decrease of 13.4 percent.

The purpose of the hearing will be to afford all interested persons an opportunity to provide evidence and testimony relating to the proposed workers' compensation classifications, risks and rates so that the Commissioner of Insurance can determine whether the proposed classifications and rates are excessive, inadequate, or unfairly discriminatory for the risks to which they apply and whether they fall within a range of reasonableness. The proposed rates and supporting documentation filed on March 1, 2007 by the WCRB may be inspected in the offices of the Division of Insurance during normal business hours.

Any person who wishes to participate as an interested party in this hearing must comply with the procedures set forth in 211 CMR 110.05. Persons who wish to present unsworn oral or written statements at the hearing are asked to submit a notice of intent to testify no later than April 3, 2007. All other interested persons will be heard after those who notify the Division in advance. Participants who intend to introduce data at the hearing are urged to file such data with the Division no later than March 29, 2007. A prehearing conference will be held on April 5 immediately following the public comment hearing; all parties and participants must attend.

All notices and submissions must be sent to the Docket Clerk, Hearings and Appeals, Division of Insurance, One South Station, Boston, MA 02110-2208, and must refer to Docket No. R2007-01.
